UCYC
SUMMER
2012

Life is Relentless. It doesn't stop. The sun always rises, seasons change, and new days will come. What you need to discover is how to keep up with the life that God has given you.

God is Relentless. He won't stop pursuing His people. He has a plan for you. You were born for a purpose. You were born with a mission. And this summer you have an opportunity to embrace it!

David was Relentless. This summer, we are going to tell the story of the 8th son, shepherd-boy, musician, giant slayer, song-writer, sinner, liar, murderer, warrior, king, and man after God's own heart.

Camp is the perfect place to experience the Relentless life first-hand. Don't stop. Challenge yourself. Take a chance. Step outside your normal...average... day to day life...and charge in to all that God has for you!

Will you be Relentless?
