THEME: The Realest. Is that a (real) word? Have you ever known someone who could overcome most anything? Maybe it's a famous athlete who finds ways to win, or a superhero who bounces back from defeat. You might call these people "The Realest". They overcome hard stuff. However, when it comes to our own lives with friends, school, and challenges, it can feel impossible to be a "realest" and do great things. Together, at UCYC winter camp we will look at a person who had a ton of stuff to overcome. Loses everything, is completely alone, and yet finds a way through hardships to follow and experience God in real-life ways. *[Spoiler alert: God wants to do the same great stuff in our life too!]*

LOCATION: The Springs is our newest, fully remodeled site, located 15 minutes up the hill from The Pines and The Summit. It houses up to 250 guests. At 1,500 feet higher in elevation on 60 acres surrounded by Prescott National Forest – The Springs offers both beauty and space.
